## Rider briefing for road races held under standard highway conditions

This race is run under British Cycling's technical regulations and under standard highway conditions therefore you **MUST** abide by the rules of the road.

### Safety

- You are not on closed roads and you will face oncoming traffic

### Marshals (static or moto)

- Direct riders around the course and warn other road users a race is taking place
- Marshals do not create road closures or make it safe to race on the right hand side of the road

### Actions

- You are responsible for your own actions
- Race on the left hand side of the road – do not cross solid white lines and always avoid crossing broken white lines
- Persistent offenders will be penalised (eg disqualification or a fine)
- If necessary the race will be stopped

### Responsibility

- Look after each other, behave responsibly and safely
- Do not take unnecessary risks - your actions could have serious consequences

### Think

- About your position on the road
- Rider behaviour is critical to protecting the future of road racing
- We all have a part to play
