Important Information, please note the following Surrey League By-Laws:

- 5.1.1 If a club/team has 3 or more riders riding Surrey League events, that club/team must join the League.
- 5.2 Affiliated clubs shall be given the option of rejoining at the end of each season prior to any new club being accepted.
- 5.3 Club Affiliation Fees shall be £60 per year for clubs/teams promoting events on behalf of the League.
- 5.3.1 Club Affiliation Fees shall be £750 per year for clubs/teams who do not promote events on behalf of the League.
- 5.4 Each Club shall promote 2 events on a day(s) of their choice but selected from the previously agreed list.
- 5.4.1 If a club/team has had 25 or more riders riding Surrey League events the previous year, that club/team shall promote 3 events on a day(s) of their choice but selected from the previously agreed list.
- 5.6 Each promoting Club shall be responsible for providing vehicles for Lead Car, Chief and Assistant Commissaries all at their own expense. Sufficient manpower must be available on the day for all official duties and marshalling. No rider from a promoting club will be allowed to start unless these criteria are met. The Club must be prepared to supply its own flags and race material as may be necessary but they may be borrowed from the League on payment for, or replacement, of any losses.
- 5.7 Each club must appoint an Organiser and a Safety Officer who shall be responsible to the League for ensuring his Club fulfils its promotional obligations.
- 5.8 The Organiser shall perform all duties normally expected of him as required by the BCF Technical Regulations except those that are specifically undertaken by the League.
- 5.8.1 All race organisers are expected to attend a BCF Organisers Seminar before they organise a race on behalf of the Surrey League.

If you have already re-affiliated and any of the above details have changed, please fill out relevant details and return to the Surrey Cycle Racing League so that the Surrey Cycle Racing League may keep their records up to date.
